**Montana Shakespeare in the Parks Announces Winter Tour
*Complete Works of William Shakespeare (Abridged) (Revised)***

Bozeman, Mont., December, 16, 2021 – Montana Shakespeare in the Parks, an outreach program of the Montana State University's College of Arts & Architecture, is pleased to announce their upcoming winter show, which will feature a production of *The Complete Works of William Shakespeare (Abridged) (Revised)*.

From plays to sonnets, *The Complete Works of William Shakespeare (Abridged) (Revised)* is a high-octane performance that shares Shakespeare's best. Audiences will delight in this fast-firing comedy that attempts to prove that three actors can do the impossible: act through Shakespeare's entire canon - 37 plays - in 90 minutes!?

"The 2021 season of MSIP was very exciting for us. We were thrilled to be once again performing in person for the communities we treasure so much. Now that our 50th year is upon us, we couldn't be more eager to announce our winter show with an energy-packed production that speaks to the spiritedness of Shakespeare and to the passion we have going into 2022." – Kevin Asselin, Executive Artistic Director.

The winter show launches the start of Montana Shakespeare in the Parks' 50th season, which Montana Shakespeare in the Parks will celebrate all year long.
